Please join us for a fun evening to support our Foundation. While we in NO way support the actions of the NFL and/ or Nike for their choices, we do understand that football is something that many enjoy. To that point, we are happy to benefit from them to support the families whom have lost a loved one or are currently facing a serious medical illness. We will be asking everyone present to observe the National Anthem at the opening of the fundraiser.

Proceeds will be going to GOOD Families and selected Veterans Organizations that support Law Enforcement
