

DO THEY DESERVE LESS?

THE NEWEST FINEST ARE THE LEAST PROTECTED.

P.O. Rosa Rodriguez and P.O. James Li are two of the finest examples of the newest generation of New York City police officers. Both sacrificed their health to protect their fellow New Yorkers. But if they can't return to work, their disability benefits will be substantially less than those of their more senior colleagues.

***For some recently hired police officers,
those benefits amount to less than \$27 a day.***
