SUPPORT
Fair Disability Benefits *for*
our Police Officers

Paid for by the Patrolmen's Benevolent Association of the City of New York, Inc.

Tell our leaders in Albany it's time to support fair benefits for disabled police officers.

When our NYC Police officers are disabled in the line of duty, they get a lower benefit than officers in the rest of NY State. In some cases, it's as little as \$40 a day.

Our officers put their lives on the line every day to keep us safe. It's time to support them like they support us.
